

Adam GOSSELET

R&D Engineer

+33 (0)5 59 40 73 24

 [adam.gosselet\(at\)univ-pau.fr](mailto:adam.gosselet(at)univ-pau.fr)

After a Master's degree in Theoretical Physics obtained at *Paris VII* and a *DESS* of Applied Geophysics at *Paris VI*, Adam GOSSELET completed a Doctorate in Geophysics at the *Ecole des Mines* of Paris – *ENSMP* (subject of thesis: Tomography of slope).

After working for 2 years as a Research Engineer for TOTAL, he joined the *Institut de Physique du Globe* of Paris for a 3 year postdoctoral position where his research concerned the application of the inversion form of wave in the monitoring of injection of CO₂. Adam joined OPERA in September 2008.
